The image shows a modern spa center interior. The ceiling is a prominent feature, composed of a grid of dark, angular, geometric panels, some of which are recessed and illuminated from within. Below the ceiling, the space opens up into a large, well-lit area. In the foreground, there is a pool area with a tiled deck and a curved metal railing. The walls are dark and feature several windows. The overall atmosphere is clean, modern, and relaxing.

THE SPA CENTER OFFERS AN INDOOR, HEATED POOL, JACUZZI, GYM, SAUNA, STEAM BATH, RELAXATION ROOM, COLD ROOM AND BEAUTIFUL PRIVATE TREATMENT ROOMS. IT ALSO OFFERS MASSAGES AND TREATMENTS TO REFRESH AND REVITALIZE YOUR BODY AND SPIRIT.
